NEWS AND EVENTS FOR THE STUDENTS OF GEORGE BROWN COLLEGE ORIENTATION 1991

## WELCOME FROM YOUR ST. JAMES CAMPUS STUDENT PRESIDENT

Hi and Welcome from the St. James SAC!

My name is Jocelyn Dance and I am the President and Vice President of Finance on the SAC here at St. James for the 1991/92 year.

Due to unfortunate circumstances, the elected President of the Council resigned in early August. A decision was made by the Council to appoint myself Acting President until a full Council with Divisional Representatives has been elected. At that time a decision will be made as to the action to be taken on this situation.

I would like to take the time to tell you a little about what exactly SAC is. SAC (Student Administrative Council) is an organization made up of students working for the students. Our job is to insure that you have a good time socially during your academic stay at George Brown and that Student concerns are looked at and solved.

We are only given a portion of your SAC activity fees and we spend it the way we feel students will benefit best. For example, we pay into a health plan for you which means you are covered for up to 80% of your prescriptions and accidental dental expenses. Come to our office for your forms. We have provided two photocopiers for you, one in the SAC office and one in the Hospitality building. A change machine is located outside of the arcade for your usage. We run weekly pubs for you in the North end of the cafeteria. This year we have invested in photo I.D. machines for all George Brown I.D. cards. There are four electronic sign boards located around the campus to inform you of activities planned and they are also available for you to put messages on as well. We put out a monthly newspaper for you and ask that if you have any articles you would like to see in the paper that you drop them off to us. A yearbook will be published towards the end of the school year. A Source Handbook is available to you which will help you keep track of important dates.

If you have any questions or concerns about student life at the St. James Campus please feel free to drop by our office with

them.. Our office is located in the basement of 200 King St. East, beside the Cafeteria.

Again, welcome back to returning students and welcome to George Brown all new students. SAC has high hopes for an excellent year socially and academically. We hope that you enjoy what we have

planned. Visit our SAC office to find out more about what SAC can do for you.

Jocelyn Dance  
President and V.P. of Finance

\* If you are interested in representing your division on the Student Council, come and see us.

## STAFF AND STUDENT RECEPTION

This is your official welcome to one of two (or both if you're the social type!) Staff and Student Receptions being held at the St. James Campus and Casa Loma Campus.

The first, to be held at Casa Loma, will be on Wednesday, September 11th from 3:00 pm to 5:00 pm. Be there for the official opening of the new Student Lounge. Need directions? No problem! The address is 160 Kendal Avenue, 2nd floor, beside the cafeteria. Presented by Student Success Network and Casa Loma SAC. After the reception, stick around for the first Casa Loma Pub from 5:00 pm to 9:00 pm featuring guitarist Bob Lambert.

The second reception will be Wednesday, September 18th from 3:00 pm to 5:00 pm at the St. James Campus. Find your way here by using your nose! 200 King

Street East, downstairs to the cafeteria. Don't miss the opening of the cafeteria at St. James which has undergone major renovations all summer. Presented by St. James SAC, Student Success Network and Versa.

Tickets for these events will be given out by your Student Executive Councils during orientation week. These tickets are good for one free drink for both you and a staff member. Without a member of staff there will be a minimal charge for drinks. Non-alcoholic beverages will be served for those of you who like to remember things from the night before!

\*PLEASE NOTE\* Staff refers to anybody that works for George Brown College (ie teachers, support staff, office personnel, the list seems endless!!)

## PHOTO ID

Coming on September 15, 16, 18, 19 and 22 is George Brown's first photo student ID. In a three team effort between Student Council, computer services and the Registrar's office, photo ID will be in place for the first time in the College's 24 year history. The four different SACs will be co-ordinating photo sessions at the respective campuses. Students should bring tuition receipts or deferral forms in order to have their ID card produced. Keep an eye out for more information.

## STUDENT CENTRE TALK

On Friday June 7 a big step was taken in the direction of a Student Centre for the students of George Brown. An eight person committee that include two student representatives, have been given the task of producing a terms of reference for a request for a feasibility study. The study will determine what students and staff feel is needed in such a centre. Student Centers at different colleges and universities will also be looked at to determine what features are best suited for the students of George Brown. Some suggestions of such features are a new gymnasium, an auditorium, residences and a pub area.

## CAMP ZU INFORMATION

Hi and welcome back to all you Camp Zu Animals. Yes, we are back in business!!

Hi and welcome to all new and potential Camp Zu Animals. This year you will learn how to effectively get blasted on a Thursday afternoon/evening and still make that 8:00 am Friday morning class.

There is some very important information to know before the "Zu" opens on Thursday September 12, 1991:

1. There is absolutely NO SMOKING in any building of GBC. This unfortunately includes Camp Zu.
2. You must show GBC identification to be allowed into the pub. This would include GBC photo ID, a GBC student card, or tuition receipts.
3. Any of the above mentioned forms of identification must be accompanied by proof of age or you will not be able to consume alcohol.
4. All guests of GBC students will have to be signed in on the guest list, after showing ID that identifies this person. The student who signs this person in is totally responsible for any problems that are

caused.

5. Any type of rowdy or disturbing behavior will be grounds for immediate removal. At any time a decision may be made to ban the student or students from any of the events that the Student Council presents.

6. When Entertainers are performing at Camp Zu there will almost always be a cover charge of not more than \$2-\$3. For people who are not interested in what is going on, please have respect for those that are there to enjoy the show. Constant abuse of this rule will result in removal from Camp Zu.

7. The purpose of Camp Zu is to provide students with a place to meet and have a drink. We are in no way pressuring anyone to consume alcohol. Canned pop will be available at all times for a minimal amount. If you are a designated driver, then inform the staff and you will receive free pop.

8. We would like to have a problem free year and you are the ones that will decide that. It can be said honestly that if there is a problem with Camp Zu the Administration of the College will not think twice about shutting us down.

Let's have a good year at Camp Zu. If you have any questions or concerns please come and see Tim Mitchell in the SAC office.

Thanks,  
The Zu Keepers

## SOCIALLY SPEAKING...

Hello to all. Welcome to GBC if you're new and welcome back if you are returning.

For those that were not at GBC last year or were here but did not read The Dialog, Socially Speaking is a monthly column that I will be putting in The Dialog to discuss issues that are pertinent to Student Life and to inform students of upcoming events.

The summer has been a hectic one for your SAC at St. James. We have undergone some big changes as you will have probably already found out. The Student Council has been working hard to try and ensure that this coming year is both memorable and educational.

The Orientation Week is going to be "OUT OF CONTROL". The best I can do is tell you to get involved. I cannot make you take part in any activity this year but I will guarantee that the activities will be OUTRAGEOUSLY FUN. If you do not have a good time then come and see me and tell me what went wrong.

One very important note is that with everybody's favorite hangout, Hogtown, closed for business. We have found a NEW and definitely better place to sit and discuss world politics over your favorite beverage. The name of the bar is FINNIGAN'S and it is lo-

cated at the corner of Sherbourne and Richmond. There is a short cut through the back of the Hospitality parking lot but it could take you a while to find this. I urge everyone to go check out this new bar because the staff are very friendly people and the service is awesome. The Council has arranged for specials to be given to George Brown students but you must present your Student Picture I.D. to take advantage of this. There is an advertisement somewhere in this paper explaining the Specials more in detail.

During Orientation we will be giving away trips, trips, trips, and as often as possible we will be giving away trips at Camp Zu (the weekly pub).

For those that are going to be attending Camp Zu this year, please take note that there is NO SMOKING at GBC anymore. Unfortunately this includes Camp Zu. Please see the advertisement in this paper about Camp Zu regarding rules for admission. For upcoming events see the calendar right beside this column.

For now I think that I have given you enough information to get started. If you have any questions, comments or ideas please do not hesitate to come

and see me in the SAC office or give me a call at my office.

## WELCOME STUDENTS

Welcome to all students-whether you are returning to continue your studies or whether you are coming to George Brown for the first time. I am your elected Student Governor on the Board of Governors and I represent students on all campuses. The Board of Governors is the highest decision-making body at George Brown College and oversees a budget of more than 100 million dollars.

I am a second-year full-time student in the Human Services Counselling program at St. James Campus and have already served nearly a year in the position of Student Governor on your behalf.

In writing this article, I wanted to make sure that you receive a warm welcome for the start of your studies for this term. I also wanted to let you know that Board members are working very hard for you. By law, no governor receives any pay for sitting on the Board. We all give freely of our time and work as a team to ensure that the business of the college runs smoothly.

The college also has a new President in the person of John Rankin who began his duties in April of 1991. I have spoken with him on many occasions and have been impressed with his calm and efficient style of leadership. I know he is very sensitive to student needs and will do well to raise the level of awareness that we are the college's most important clients-after all, we are the sole reason-directly or indirectly-why college personnel are hired, why facilities are built and why policies are developed.

I invite you to become actively involved as a team player in finding solutions to the issues we are facing at George Brown by attending the meetings of the subcommittees of the Board-namely Education, Finance and Property. These are public meetings and will help you understand more clearly the current issues that cause concern.

The meeting schedule is as follows: Education Committee meetings are usually held 8:30 am every first Wednesday of the month. Property Committee normally meets at 12 noon the first Tuesday of the month with Finance Committee meeting held at 12:30 pm the first Wednesday of the month.

The Board of Governors meetings are also open to anyone wishing to attend and

usually start at 5:00 pm the first Tuesday of every month.

All meetings are currently held in the Boardroom at 500 MacPherson Avenue (Dupont subway, Bathurst and Dupont area) on the Casa Loma campus. Please call the President's secretary, Cynthia McDonagh at 944-4473 to confirm meeting time and location as they sometimes change.

If you have a problem, complaint or suggestion that affects your student life at George Brown and you don't like attending meetings or are intimidated by them, please contact me and I will be glad to assist you as your Student Governor.

You can contact me in writing as follows:

Edward Smith  
Student Governor  
Campus Manager's Office-  
St. James Campus  
P.O. Box 1015, Station B  
Toronto, Ontario  
M5T 2T9

You can also reach me through the reception in the Counselling Office, St. James Campus (opposite the Admissions Office, near the King Street entrance) at 867-2107.

All the best for a great year.  
Edward Smith

## SOURCE BOOK COVER

This years SAC decided that instead of having a company design a cover for our Source book, we had a competition for a George Brown student to design it. The prize for the winning cover was \$150.00. This years designer of the Source book cover is Elliot Lahman. Thank you and congratulations, Elliot!

The award winning JUICE PIGS are an amalgam of performance styles. Their charm lies in their defiance of description. THE PIGS can shift in and out of character with blinding speed, buoyed up by their musical ability. They derive most of their material from popular media and culture, twisting the familiar into bizarre and delightful shapes.

The show is a collage of musical parodies, tributes and originals, ranging from Heavy Metal to Elvis to Suzanne Vega. Interspersed with the songs are skits, one liners and improvisation all in the quick and chaotic JUICE PIG style.

CORKY and THE JUICE PIGS are an International Comedy act from Canada. In only three short years they have appeared coast to coast, headlined two consecutive years at the MELBOURNE COMEDY FESTIVAL in Australia, and are arriving home from a bang me up knock me down success of sold out performances at THE EDINBURGH FESTIVAL FRINGE.

GREG NEALE, PHIL NICHOL, and SEAN CULLEN are the members of this absurd trio whose television credits include; the *Labatt's Crystal Comedy Pageant* (Global), *George Schlatter's Comedy Club Special* (ABC), David Foster's special *Sensations* (CTV), Steve Vizard's *Tonight Live* (Australia), *Blind Date* (Australia's Dating Game, Greg won!), and *The Big Gig*, four appearances on the most popular variety show in Australia.

CORKY is pleased, as a Koala in eucalyptus pudding, to announce that the Special Guests for the evening will be the comedy stylings of SCARED WEIRD LITTLE GUYS, all the way from the land Down Under. ONLY ONE SHOW ON SATURDAY, SEPTEMBER 7, 1991.

So, hey, guess what??? You got it!!! Returning from SOLD OUT Performances at The Edinburgh Festival Fringe! CORKY and THE JUICE PIGS are appearing at Sneaky Dee's, 431 College Street, (College and Bathurst), on Saturday, September 7 and Sunday, September 8, 1991, at 9:30pm, and tickets are \$5.99 at the door.
